The Profile:

Harishchandrapur is well known for its rich tradition and culture in the district of Malda.Pandit Bidhusekhar Sastri,Ramhari Roy,Subodh Kumar Misra, Sourindra Mohan Misra,Dr.Pinaki Ranjan Roy,Md Illias Razi,Birendra Kumar Moitra are remembered as outstanding personalities of Harishchandrapur even today.

A decade ago, the people of Harishchandrapur took initiative for setting up a college to cater the need of higher education under the leadership of Sailen Sarkar, the former Minister and Tajmul Hossain, the Local MLA. However, Harishchandrapur College was established in August, 2008 at village Pipla as general degree college to impart quality education among the aspiring students. The College strives for all round development of the students and maintains a high standard of discipline through a dedicated, involved and committed staff. Located in a natural, calm and quiet environment beside Harishchandrapur-Chanchal highway (NH-81) necessary infrastuctures are shaping fast in the five acre college campus. The college owes much to Dr. Samar Kumar Mishra, the first TIC and Tapan Bhattacharjee, office superintendent as its pioneer.

History:

Harishchandrapur College was established in 2008 to fulfill the dreams and aspirations of the people of Harishchandrapur and the surrounding areas and to meet their long voiced demand for higher studies. Affiliated to the University of Gour Banga (U.G.B.), this govt. aided college started its journey on 18th August, 2008 in Pipla High School where classes were taken in the morning. A small building of its own was set up within the two years of its genesis in a calm and quiet natural ambience beside Harishchandrapur Chanchal Highway (NH) 81. The lush green landscape surrounding the college is a treat to one's visual senses. Despite facing several constraints and weaknesses, the Teacher-in-Charge, Teaching Staff and Non-teaching staff strive their level best for the all round development of the college. The college strives for a high standard through a dedicated, involved and committed staff.

Mission of the College:

1. To provide scope to students of the rural areas to pursue higher studies
2. To create a learner friendly atmosphere
3. To make responsible citizens

Vision of the College:

1. To create a society where every individual can live with mutual cooperation and trust breaking the boundaries of religion, race, caste and gender
2. To adopt inclusionary principles of life avoiding exclusionary politics

From the Desk of Principal

The college aims to ignite the young minds by imparting higher education to the rural, tribal and backward people of the area. We aim to create individuals who will not only make them busy in making career but also develop a strong sense of ethical love for the nation. Materially successful but ethically handicapped people are dangerous for the nation. Serving in a rural and backward area we cannot record the success of innumerable students engaged in lucrative jobs. Yet we take the pleasure of creating awareness among first generation learners an urge to learn, to attempt and proper and a positive spirit to overcome the hurdles of life.
